

1 Day : Angkor Wat Sunrise with Small Circuit

Start : 4.30am

Starting early in the morning we travel to the ticket office to purchase your ticket for the Angkor Park.

From there we drive along the tree lined path, with families of monkeys playing along the side of the jungle paths. In the cool of the morning get your camera ready and make sure you are in a good position for one of the world's most famous sunrises.

Then explore the temples at your leisure, at a time of the day that is cooler, and with less travelers. Cross the massive stone bridge spanning the lily filled moat. Explore the temples passage ways and spires. When you are ready, we'll continue on to explore the Temples of the Small Circuit:

- Through the Angkor Thom South Gate
- The Smile of Angkor - Bayon
- Baphuon
- Phimeanakas
- The Elephant Terrace
- Terrace of the Leper King
- Ta Keo
- Ta Prohm (Tomb Raider Temple)

Enjoy a Khmer late lunch at a local restaurant at the temples (not included), before heading back to Siem Reap in the afternoon
